Hawaii Vacation Condos by Outrigger operates our vacation rental program within the governance of the Owners' Association of this resort. They are very protective of the safety, comfort and enjoyment for all guests and owners of this resort. Therefore they are very sensitive to the possibility of group gatherings overwhelming the facilities and the enjoyment of other guests/owners at the resort at the same time.

We realize that staying as a group promotes a special camaraderie. Sometimes it is easy to get caught up in the excitement and energy of being together. We simply encourage that all members of your group be fully aware of the resorts' House Rules. We have included them on the next page.

We truly appreciate your patronage and wish you a wonderful stay. If we can be of any assistance, please feel free to contact us at extension 1401.
